

KLAG TIME: April 26

This week is a little different, as it's the last week of the school holidays. In church we shared a "kid's talk with Colin" - which was great! Hope you could sing along with "10, 9, 8"

This week, the K-1 class and the 4-6 class are going to have a ZOOM catch up time with their teachers. Don't worry - the 2-3 class will have a turn soon too! Hope you can join in the fun!

K/1 at midday - contact Kylie if you want a link to join in!

4-6 at 4pm - Contact Laurentia if you want a link to join in..

Activities for you to do:

- Can you create any more words with pictures? -
Like Ice cream (eye - scream) or great (grrrrrrr - 8)
What about carpet (car - pet); or dollop (doll - lip); cashew (Cash-shoe?)
Any others ?????
- Can you create your own memory verse learning game for Psalms 145:3 - think of the suggestions we made last week.... Picture puzzle; shooting game; or try the chalk jumping shown on the video.
- Would you like to do some cooking? Or science? Ok... try this:

Creamless Ice cream!

4 very ripe (but not overripe) bananas, peeled and broken into chunks and frozen solid

Pinch of ground cinnamon

½ teaspoon (2.5mL vanilla extract

Put everything into a blender and blend until smooth.... Start on the slowest speed and work up to the fastest.

Reduce the speed before you turn it off.

Scrape into bowls with a rubber spatula and enjoy!

You can keep it in the freezer for about 2 hours... After that, it will start to freeze solid and it will need to be chopped up and run through the blender again.

Have a great week everyone.... See you next week!
