

## KLAG TIME ACTIVITY - May 10

### Mark 6:45-56

#### DISCUSSION

You can read the story we told today in Mark 6: 45-56

- The Disciples were scared when they saw Jesus... Why?

Thought he was a ghost

- How did Jesus' answer calm the disciples and help them to not be scared anymore?

He said not to worry, because it was him... They should trust him to protect them and care for them

- Jesus was showing the disciples something... what was it?

That He had God's power, that He was God's son. They can trust him.

- How else has Jesus shown them that He had God's power and was God's Son?

Fed the 5000 people, and healing people (look at verse 56)

#### **A bit more to think about:**

- Read Mark 6:34: *When Jesus got out of the boat, he saw the large crowd that was like sheep without a shepherd. He felt sorry for the people and started teaching them many things.*
- How has Jesus been like a shepherd... how has he been looking after His "sheep" ( think about last week's story too)

He fed them (story last week)... he rescued them (when they struggled in the boat).... He cares for them (heals them)

- How does Jesus look after us like a shepherd?

Loves us.... Cares for us .... Rescues us - He died so that we can be forgiven.

#### PRAYER

*Thank you Jesus that we can know for sure that you are God's Son. Help us to believe this and to trust in you. Help us to understand how much you love us and what you have done for us, if we trust you. Thank you that we can be a part of God's forever family because of you. Amen*

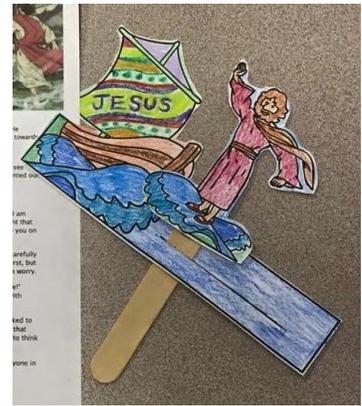

## ACTIVITIES

To complete your picture of “Jesus walking on the water” -  
(Available in the activity sheet link for today)

Colour it in... Glue onto cardboard if you wish - it will make it last longer.

Cut it out, including the slit for the POP stick to move through.

Attach “Jesus” to a POP stick and push through the slit to make it appear as if he’s moving across the water. (If you don’t have a paddle pop stick, try finding something else that will work.. Stick from back yard?, plastic cutlery? etc)

Some science for your day: Making **OUBLECK**: a non Newtonian fluid..

We all know that it is impossible for anyone other than Jesus to walk on water but it is fun to watch these people running over [OUBLECK](#)....

Now... we can't make enough to run across like this, but it can be fun to play with it... perhaps you could try using small toys (like LEGO people) to run across your Oobleck... if you keep them moving they won't sink...

To make Oobleck you will need:

1 cup water

1.5-2 cups of cornflour

Food colouring of your choice (optional)

Add water and food colouring to a bowl

Add 1 cup flour and begin to stir. Once the mixture thickens you will need to use your hand. Add the remaining flour a little at a time.. You might not need it all. You want the Oobleck to be liquid, and yet solid. If it is too thick, just add some more water.

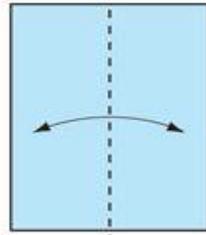

You can play with the fluid/solid Oobleck... BUT take care!! IT'S MESSY!! Make sure you do this outside and that you clean up after yourself (no mess for Mother's Day today!)

When is it solid? When is it liquid?

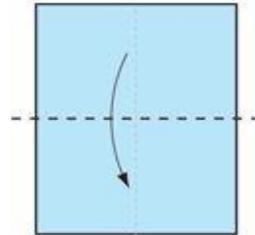

OR Try making the **Gummy Bears walk on the jelly**.... How long do you have to leave the jelly in the fridge before the Gummy Bears will stay on top... Once it's cooled a little, try dropping one on top every 15 minutes or so... How long does it take?

Not wanting to make mess today?  
Why not try an **ORIGAMI BOAT**

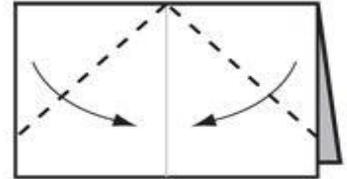

If you would like to try making your own origami boat you can follow the instructions. You will need a piece of paper to fold....

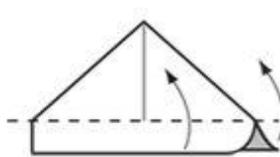

1. FOLD IN HALF

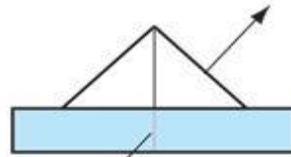

2. FOLD IN HALF AGAIN

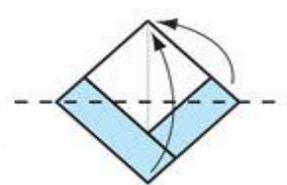

3. FOLD IN CORNERS

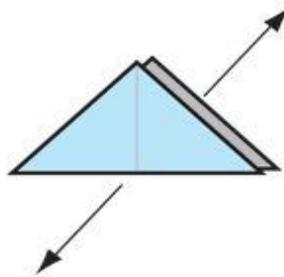

4. FOLD UP EDGES ON BOTH SIDES

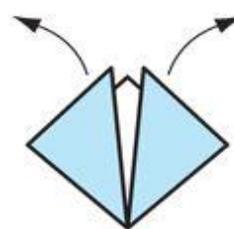

5. PULL THE SIDES OUT AND FLATTEN

6. FOLD FRONT AND BACK LAYERS UP

7. PULL SIDES APART AND FLATTEN

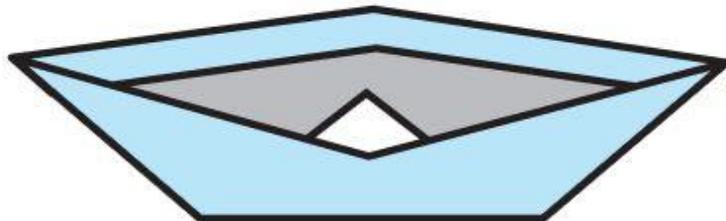

8. PULL TOP FLAPS OUTWARDS

9. SQUISH THE BOTTOM AND PULL THE SIDES UP

10. TA DAAA!

Does your's float?

For how long?

Can you put something in it without making it sink?

***Happy Mother's Day to all of our special Mums***

We hope you're giving your Mum a very special day today!

To help that along we have some Mother's Day Vouchers for you to create an extra special gift for her....

Simply choose the vouchers that you think your Mum would like, decorate them, and cut them out. You can also make your own by filling in the blank ones. Once you have finished, you could staple them together into a book or put them into an envelope, or in a card you may have made and give them to Mum to use.... Remember if she uses one - you need to honour it!

<p><i>Happy Mothers Day</i></p>
<p><i>I love you Mum</i></p>
<p><i>For Mum:</i></p> <p><i>One free hug</i></p>
<p><i>For Mum:</i></p> <p><i>No arguing with brother or sister</i></p>

*For Mum:*

*A big favour*

*For Mum:*

*Washing up*

*For Mum:*

*Foot rub*

*For Mum:*

*Clean my room*

*For Mum:*

*Take out the garbage*

*For Mum:*

*½ hour peace*

*For Mum:*

*A back rub*

*For Mum:*

*Do homework without complaining*

*For Mum:*

*Empty dishwasher*

*For Mum:*

*An extra job of your choice*

*For Mum:*

*Get ready for school*

*For Mum:*

*Sweep the floor*

*For Mum:*
