

# Mini-KLAG activity

(19 July)

In the **story**, Edward and Kylie look at what it means to “shine like stars” because we belong to God’s special family...

## Activity Directions:

Use the template on the following page to create your own star picture to help us to remember that we need to be “shining like stars in the sky” as we follow Jesus.

You could colour the star...

Glue some coloured paper that you cut into smaller pieces...

Or you could scrunch up some tissue or crepe paper to make the stars stand out even more...

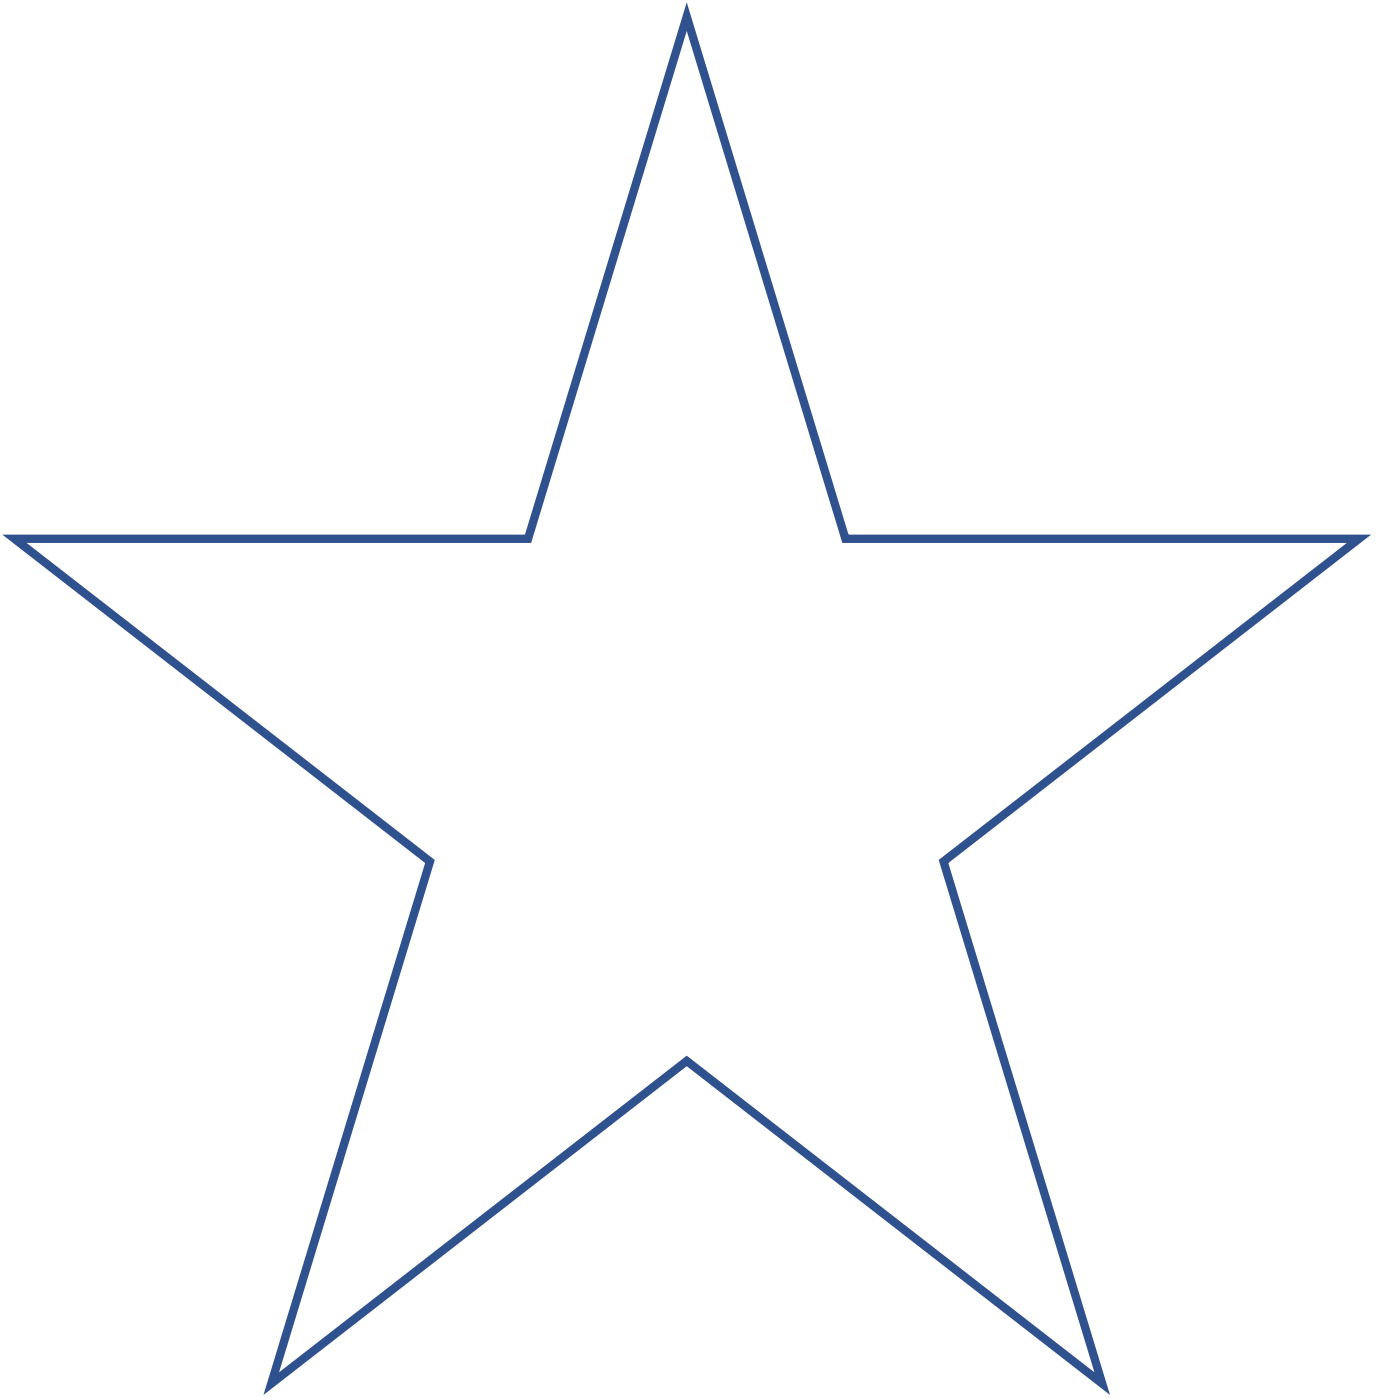

Do you have stickers or glitter? You could add some if you want....

Make your stars beautiful!

You can make as many as you like.... You can even cut them out and stick them onto your window...

Have fun making your own shiny stars!
